Well, well, well  
She shook me, shook me, shook me  
(Yes, she shook me)  
All night long, all night long  
(All night long, all night long)

You, you, you know this woman  
She shook me, shook me  
All night long, all night long  
All night long, mm, hmm  
(Mm, hmm)

Now B, she shook me  
Go ahead, tell me about it, John  
Just like a hurricane, hurricane  
You, you, you know that woman

She shook me, shook me  
Like a hurricane, hurricane  
Shake the ground, you know  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah

You shook me, baby  
You shook me all night long  
You shook me, baby  
You shook me all night long

You kept on shaking me, baby  
Till you messed up my happy home  
My happy home, my happy home  
The woman broke up  
My happy home, my happy home, mm, hmm

Now, now, they broke up, they broke up  
My only home, mm, hmm, hmm  
My only home  
My wife and child

Ooh, you move me, baby  
Just like a hurricane  
Just like a hurricane

You move me, baby  
Just like a hurricane, like a hurricane  
You know you move me, baby  
Just like an earthquake  
On the land, on the land, yeah, yeah

Talk about it some more, John  
You, you, you, you, you, you, you, you  
You shouldn't shake me  
The way you do, way you do  
All night long

Sometimes I wonder  
What's gonna happen  
To my poor wife and child, I got a child  
She done made me love her  
And now I can't be satisfied

You, you, you, you, you  
(Sometimes I wonder)  
Can shake me the way you do  
(What's gonna happen)  
To my poor wife and child

You, you, you, you, you, you, you  
You shouldn't shake me way you do  
(You done made me love you)  
And now I can't be satisfied

You, you, you  
You, you, you, you, you  
(You, you, you)  
Shouldn't shake me way you do  
(Shouldn't shake me, baby)

The woman shook me  
(The woman shook me, shook me)  
Woman shook me, shook me  
Shook me, shook me  
(Ooh, ooh, ooh)  
Like an earthquake shakes the ground

That feel good, tell her again  
Look, woman  
I ain't gonna let you, you, you, you  
Hurt me no more  
(I ain't gonna let you hurt me)

You, you, you, you, you, you, you, you  
You, you, you can't hurt me no more  
(You ain't gonna hurt me no more)

I ain't letting you hurt me, hurt me  
Hurt me, no more, no more  
No more, yeah
