Let me tell you people a low down thing or two
I just can't stand that old evil way she do
She gonna miss me, yeah, you're gonna miss me
You're gonna miss me baby, when I'm dead and gone
Came home this mornin', she wouldn't let me in
She said, "'Go away baby, I got too many friends'"
You're gonna miss me, yeah, you're gonna miss me
You're gonna miss me baby, when I'm dead and gone
Hard to love a woman when the woman don't love you
She'll treat you so low down 'n' dirty, 'till you won't know
what to do
You're gonna miss me, hey, you're gonna miss me
baby
You're gonna miss me woman, when I'm dead and
gone

Well, bye-bye baby, I hope we meet again
You won't be so evil when you won't have too many
men
You're gonna miss me baby, yeah, you're gonna miss
me
Yeah, you're gonna miss me woman, when I'm dead
and gone
