If you can't do no better, think I'd better get another
that can

Yes, if you can't do no better, think I'd better get
another that can

You know you're going around and cheap on me

You're doing nothing but losing a good man

You know life is too short to be worry, and I think you
are not to understand

Yeah, life is too short to be worry think you are not to
understand

You're keep going around and cheap on me

You ain't doing nothing but losing a good man

If I never said hello to you baby then I won't be say
good bye

Hey, if I never said hello to you baby then I won't be say
good bye

I got my cloths already packed now

I'm so hurt, I wanna cry

Oh, can you hear me, hear me baby?
Can you hear me?

Oh, I got my cloths

My cloths already packed now

I'm so hurt, I wanna cry

I wanna know why you treat me like you do baby

I wanna never tell me why

Yes, if you can't do me no better baby, think I'd better
get another baby that can

Yes, if you can't do me no better baby, think I'd better
get another baby that can

The way you treat me now baby, you ain't doing
nothing but losing a good man

Hey, life is too short to be worry and I think you are not
to understand

Hey, I say life is too short to be worry and I think you
are not to understand

The way you treat me now baby, you ain't doing
nothing but losing a good man

What you say now!
