Listen to me

Karen, I want you to know
You are the one, if I had
I'd never let go

I can never find the
Right words to reaching you
Gotta help me try to find the way
'Cause every time that I see you
I'm so afraid to say

Karen, caring for me
Karen, caring for me
I want everyone to see
You and me, Karen
Together, we'll see

All of our dreams would come true
If you'd only believe
How can I expect
You to know how I feel

To you, I'm just
Another face in the crowd
It's time for me to reveal
My thoughts to you out loud

Karen, caring for me
Karen, caring for me
I wish she'd start caring
Caring about me

K-K-Karen, caring for me
'Cause I want everyone to see
You and me, you and me
I want everyone to see
'Cause I know they're never
Gonna be like you and me

I can see 'em now
They'll be looking at us

Talking 'bout us
Don't let me down, no

Ohh, Karen, caring for me
K-Karen, caring for me
I wish she'd start caring
Caring about me

Woo, yeah, yeah, Karen
Caring for me
Yeah, yeah, ooh
Yeah, yeah, yeah, yeah...
