Where the streets just sparkle silently
And leave the lovers to the night
Remembering how they came together with such
violence
Felt so good they did it twice

Too early for September songs
But much too late for love to bloom

V A L I U M summer
(S U M M E R)
Could you be mine, shine through my summer?
Could we be set free, fly all summer?
V A L I U M summer
(S U M M E R)

Misunderstood the moon and missed the sun
Too busy waiting on the word go
But now your lips will last a lifetime
And every second is a rainbow

Too early for September songs
But much too late for love to bloom

V A L I U M summer
(S U M M E R)
Could you be mine, shine through my summer?
Could we be set free, fly all summer?
V A L I U M summer
(S U M M E R)
