Lets get this show on the row  
Now it's the time to explode  
It's been a long time coming  
We aint planning to go  
I thought I told you that  
We'll be here for a while  
So wipe the frown, and gimme a smile  
Yet busy little mummy is about that time

{Rap}

Be ready to []  
And battle like []  
I've had those often and flows  
I got those, the best you see  
That's the way you outta be  
[]  
Spreading from life monopoly  
I can dance some rock  
Sing on tops [c'mmon]

Chorus

Mo le jo lori agolo  
Mo le jo lori agolo  
Bi Jesu gba mi laye, mo le jo  
Mo le jo lori agolo o  
Bi Je su gba mi laye ko ri o pe

Verse 2

You can bup it in the club  
Bup it in the pub  
You can bup in anywhere  
Even in your bath tub  
So this is not about me or about you  
It's all about G O D  
Pay attention to the truth  
All I need is one mic and one song  
And one laugh, one mind and I'm done  
I said it before and I will say it again  
I'm his and I am proud that's the making

It don't matter how you wanna praise his name  
It don't matter just let it be you're doing the same  
Dance try mummy  
Keep it steady  
Let me see you on the floor  
Dance to daddy

I am a thorough bred  
Check the track records  
How we reminnesce  
He never gave me up  
We stay connected like the spine to the skull  
I get protected even when I flop

Chorus

Mo le jo lori agolo  
Mo le jo lori agolo  
Bi Jesu gba mi laye, mo le jo  
Mo le jo lori agolo o  
Bi Je su gba mi laye ko ri o pe

Se iwo lejo, se iwo lejo, mo le jo  
Se iwo lejo, se iwo lejo E mi lejo

Verse 3

When I had no way to go  
I had no dough to show  
I never knew that Jesus will come on my show  
But then I realise  
He came and wipe my eyes  
He wipe my tears away  
That is why I came to say

Abracadabra  
The magic man []  
But Halleluyah is the word I choose  
God can do certainly what ever you ask  
Abundantly  
[] even the task

I stand to prophess  
I am related to jehovah  
I live by his word  
Elated by his power  
The sun, moon bow before him  
The wind and the trees whisper Elohim

He is the reason why I sing  
The reason why I dance

The reason why I have more than a second chance  
Every living soul  
From north to the south  
Put your hands in the air  
That's what I am about  
I am his and am proud  
I am gonna say it loud  
Without a shadow of doubt  
So what yo'll about don't matter  
How you wanna praise his name don't matter  
Just let it be you're doing the same

Mo le jo lori agolo  
Mo le jo lori agolo  
Bi Jesu gba mi laye  
Mo le jo lori agolo o  
Bi Je su gba mi laye ko ri o pe

Se iwo lejo, se iwo lejo  
Se iwo lejo, se iwo lejo E mi lejo

To olori re ba pe igba o  
Emi ni ma siwaju won
