I am so high  
I can't look back  
I'm waiting  
For what comes next  
You can't live  
This life for me  
But I can't, you have control  
I can't last  
Tonight turns to day  
I can't find  
The words to say  
It all stops  
When kingdom comes  
You can't, i hear you walking  
Suddenly  
I was free  
You left me without anything  
Suddenly  
I was free  
You shot me in front of everything  
Now your all I need  
Blue shadows behind your eyes  
I wonder who you disguise  
Through windows behind the sky  
I wonder who you will find  
I'm so tired  
I can't get back  
I'm walking to still come back  
With something that I have loved  
Well I can't, you have control  
Suddenly  
I was free  
You left me without anything  
Suddenly  
I was free  
You shot me in front of everything  
Now your all I see  
Blue shadows behind your eyes  
I wonder who you disguise  
Through windows behind the sky  
I wonder who you will find
