This is more than I wanted,  
Take me out OF the dark, I roam there,  
Cold and black, you're out of touch, yeah,  
Lightly falling through a whisper, you're scared.

It's the weight of the world, I know, as I struggle to  
be...whole.  
It's the weight of the world, I know, as you were mine,  
and we will find...

This is stranger than love or loss,  
Turning backwards you face the dawning,  
No excuse for a wasted life,  
Lightly falling through a whisper of sky.

It's the weight of the world, I know.  
As I struggle to be...whole.  
It's the weight of the world, I know.  
As you were mine, and we will find...

Time will change, still the world remains the same,  
Time will change, still the world remains the same.

It's the weight of the world, I know.  
As I struggle to be...whole.  
It's the weight of the world, I know.  
As you were mine, and we will find...
