Can't stop groovin' right now  
Wanna do it some more  
Can't stop groovin' right now  
Wanna do it some more

Thought I had enough  
But I'm not tired  
Oh no, I ain't satisfied

I thought I had enough  
But I'm still ready to go  
Oh, now I, now I, now I want some more

Can't stop groovin' right now  
Wanna do it some more  
Can't stop groovin' right now  
Wanna do it some more

Can't stop groovin' right now  
Wanna do it some more  
Can't stop groovin' right now  
Wanna do it some more

Ooh, well, I thought I had enough  
But I'm still ready to go  
Well, well, I thought I had enough  
But now I want some more

Come on, come on  
Gimme some more  
I said come on  
Gimme some more

I can't stop  
'Cause I want some more  
I can't stop  
Ooh, I want some more

I can't stop  
'Cause I want some more  
I can't stop

Ooh, I want some more

Come on  
Gimme some more  
It's all right, it's all right, it's all right

Can't stop groovin' right now  
Wanna do it some more  
Can't stop groovin' right now  
Wanna do it some more

Can't stop groovin' right now  
Wanna do it some more  
Can't stop groovin' right now  
Wanna do it some more

Ooh, well, I thought I had enough  
But I'm still ready to go  
Well, well, I thought I had enough  
But now I want some more

Come on, come on down  
Right now, I need it  
Come on, come on down  
It's all right

Come on, come on down  
Gotta get it  
Come on, come on down  
Gotta get it, give it up

Give it up, come on, don't stop  
Don't stop, give it up  
Groovin', don't stop  
Keep on movin'

I can't stop  
'Cause I want some more  
I can't stop  
Ooh, I want some more

I can't stop  
'Cause I want some more  
I can't stop  
Ooh, I want some more

Can't stop groovin' right now  
I wanna do it some more
