Give it what you got
Give it what you got
Give it what you got
Give it what you got

[CHORUS]

Give it what you got
What you got, what you got
Don't you ever stop
Give it what you got
What you got, what you got
'Til you get on top
Give it what you got
What you got, what you got
Don't you ever stop
Give it what you got
What you got, what you got
'Til you get on top
'Til you get on top

I believe in doing and
Giving what you got
To get what you want
If you want to get something
That's good for you
You got to give it what you got
To get what you want

[Repeat CHORUS]

People tell you, you can't make it
And all that you do is just in vain
Don't let them run your life
Don't try and fake it
Just give it what you got
'Til you make it

Hey, hey, hey
Give it what you got
Give it what you got

[Repeat CHORUS]

You can make it
With what you got
You got to give it, give it
Yeah, just what you got

[Repeat CHORUS]

People tell you, you can't make it
And all that you do is just in vain
Don't let them run your life
Don't try and fake it
Just give it what you got
'Til you make it

Hey, hey, hey
Give it what you got
Give it what you got

[Repeat CHORUS]

Give it what you got
Give it what you got
If it's good for you
Give it what you got
If you want to get something
Give it what you got

You can make it
You gotta give it, yeah
Just what you got
I said give it just what you got

It can't hurt you, no, no
Only can help you, yeah
If you believe it, do it
