Ooh - once you get it, hold on, don't you let go
No matter what it is, hold on, don't you let go
Once you get it, hold on, don't you let go
No matter what it is, gotta hold on, don't you let go

All you want out of life you can get it
Just be sure of yourself, you won't regret it
Once you see it in your reach, try and save it
Then grab it, hold on, once you get it - whoo

Once you get it, hold on, don't you let go
No matter what it is, gotta hold on, don't you let go
Once you get it, hold on, don't you let go
No matter what it is, just hold on, don't you let go

People all have goals they want to attempt
But some of them don't try and their dreams just die in
vain
Whatever it is you're after, your mind is gonna know
So once you get it, just hold on and don't you let go

Oh, once you get it, hold on, don't you let go
No matter what it is, hold on, don't you let go
Once you get it, hold on, don't you let go
No matter what it is, just hold on, don't you let go

Do you understand me, am I getting through to you?
Before you might doubt, don't you let go - don't you let
go
Keep on holdin' on, do what I say to you
Don't let it get away

Ooh - once you get it, hold on, don't you let go
No matter what it is, gotta hold on, don't you let go
Once you get it, hold on, don't you let go
No matter what it is, just hold on, don't you let go

Once you get it, go and get it, keep holding on, keep
holding on
No matter what it is
Once you get it, go and get it, keep holding on, keep

holding on
Once you get it - whoo hoo hoo - keep holding on, keep
holding on
No matter what it is
Once you get it - whoo hoo - keep holding on
Once you get it
