Put it in your peace pipe
(Yeah) smoke it on up (what say)
Put it in your peace pipe
(Everybody get some)
Smoke it on up
(Everybody get a little)
Put it in your peace pipe (peace)
And pass it around

Put in some love
And some understanding
Add a little humanity
Put in some faith
Wonderful kindness
Light it up and pass it to me

Put it in your peace pipe (yeah)
Smoke it on up (what you say)
Put it in your peace pipe
Smoke it on up
(Everybody get a little)
Put it in your peace pipe
(What you say) smoke it on up

Maybe some truth
Will start the passion
Add a spoon of brotherly love
Then form a line for all mankind
And pass it right around the world

Smoke it, smoke it
Smoke it, smoke it
Smoke it, smoke it
Smoke it, smoke it
Smoke it, smoke it

Put it in your peace pipe (yeah)
Smoke it on up (what you say)
Put it in your peace pipe
(Have a little understanding)
Smoke it on up (yeah)
Put it in your peace pipe

(Peace) and pass it around

Put it in your peace pipe

(All the world?)

(Europe) smoke it on up

(Africa) put it in your peace pipe

(Asia) smoke it on up

(Germany) put it in your peace pipe

Smoke it on up (and pass it around)

Put it in your peace pipe

(Add a little bit)

Smoke it on up (peace)

Put it in your peace pipe

And pass it around
