Look at me  
I was just a man who was lonely  
Had some time on my hands  
World's greatest plans in my jeans

I saw you, you came on to me  
Like you knew me  
I don't think you knew  
That it threw me  
I didn't know what  
To say to you then  
I knew it would end up in

[CHORUS]  
Heartaches  
Visions of loving you, heartaches  
Wishing we hadn't met for my sake  
Seeing you here is all I can stand

Every night, I stand on the

Standing in with the crowd  
Trying not to look like

I try to tell myself I'm not hungry

But every time you sway

[Repeat CHORUS]

I'm only a man who has heartaches  
Deep burning pain as my heart breaks  
Watching you walk sets my soul aflame  
I could put the blame on the  
World's oldest game

I know the ways

I know that to pay won't relieve me  
Cause it's not from the heart  
It's only the act, not the flame

I only wait and hope for  
The love that you're holding  
Deep down inside you've been  
Holding for that special time  
But I don't see a sign  
It's just not on your mind

[Repeat CHORUS]

I'm only a man who has heartaches  
Deep burning pain as my heart breaks  
Watching you walk sets my soul aflame  
I could put the blame on the  
World's oldest game

Heartaches  
Heartaches, heartaches

Let me tell you about my  
Heartaches, heartaches  
Heartaches

Let me tell you about my  
Heartaches, heartaches  
Heartaches...
