We rented a truck and a semi to tow  
Travel down the long and divided road  
Look on the map I think we've been there before,  
Close up the doors, let's roll once more.

Cop on the corner, look he's startin' to write  
I don't need no ticket so I screamed out of sight,  
Drove so fast that my eyes can't see,  
Look in the mirror, is he still followin' me?

Let it roll down the highway  
Let it roll down the highway,  
Roll, roll.

Look at the sign, we're in the wrong place  
Move out boys, let's get ready to race  
454 coming over the hill  
The man on patrol is going to give us a bill.

The time's real short, you know the distance is long  
I'd like to have a jet but it's not in the song  
Climb back in the cab, cross your fingers for luck  
We gotta keep movin' if we're going to make a buck.

Let it roll down the highway
