[verse 1:]

It's 10'clock in the morning  
We in the 745 just rollin  
I see some okay chicks over my shoulder  
They wanna know  
They wanna know  
What we doing and where were we doing  
Y'all keep questionin  
But y'all not knowing  
That we not feeling ya  
So keep on moving  
We don't want to roll no where with ya'll

[chorus:]

Girl you need to get up on me (back it up)  
Don't leave me here standing lonely (back it up)  
I'm just tryna get my groove on (back it up)  
Cause we ain't playin, and I ain't playin so baby girl lets  
do the thang

[verse 2:]

Now we dancing  
Everyone is moving  
All the chicks in here shaking derre booties  
Throwing it up  
The fellas  
Are saying oh wee  
Do this girl know I'm losing control  
How she shaking her booty  
Got me trippin  
And I know I got this one  
I'm never slippin  
The way she lookin  
I know she with it  
So grab your coat  
And baby lets go

[chorus:]

Girl you need to get up on me (back it up)  
Don't leave me here standing lonely (back it up)  
I'm just tryna get my groove on (back it up)  
Cause we ain't playin, and I ain't playin so baby girl lets

do the thang

[rap:]

Shorty

What was the deal

All up on me girl you need to chill

Outta control

Like a car with 3 wheels

I can't be with you

I can't pay your bills

What you doing now

You need to do lessa

I thought I told you

3 feet

No pressure

You ain't getting on where with your hand gestures

Your not finding a dude like me

So God bless ya

[repeat chorus]
