We sendin' this one out to all the ladies all over the world

(All the ladies all over the world)

All the sexy mamas

As we proceed to give you what you need

You know I like it when your body goes

Bump, bump, bump

Bad Boy, B2K

Yo' O. talk to 'em, player

I like your little sexy style

Love it when you're gettin' wild

Girl, in the club with me

Girl, you have to be in magazines

With your charm, 'cause you's a ghetto queen

Like bling-bling-bling

The way you shakin' that sexy (Oh)

Mami shaped like an hourglass

And you're so-so fine

I wanna get you to myself, you and me

And nobody else can do the things we do

Baby, there is something that I need from you

Baby, turn around

And let me see that sexy body go

Bump, bump, bump

That is all I wanna see

Baby, show me

Baby, turn around

And let me see that sexy body go

Bump, bump, bump

The way you're throwin' that thing at me

I could it easy, baby

Love the way you teasin' me

Well, you have to stop pleasin' me

While we're on this floor, oho, yeah
You're hookin' it round and round
I love the way you put it down
You're makin' more scream for more

??? next to mine
Baby, you and me anytime
You and me behind closed door, oh, ooh
Girl had to be my main squeeze, take trip down ???
Girl, just come with me, oh, oh
Mama, go 'head do the damn thing

Baby turn around
And let me see that sexy body go
Bump, bump, bump
That is all I wanna see
Baby, show me

'Cause when you turn around
And let me see that sexy body go
Bump, bump, bump
The way you're throwin' that thing at me
I could it easy, oh, yeah

Yeah, it's Bad Boy, baby
Check this out
Now dance for nothin', mami
Plans to take ???
Get on the floor, make you bump more, shake it, mami
Let's ride, I'm your Clyde, you could be my Bonnie
See, you the type for me, mami, so right for me
Man, she could move
Love when she dance to the music
Make me wanna stand like a ???
Just a simple touch make me lose it
Girl, that's enough, start movin', pump that

Now pump that, girl, bring it to me, bump that
I want that, girl, sing it with me

So let's do it again, mami, you and a friend, mami
Money, ain't a thing, look, what I gotta spend, mami
Put up your hands for me, dance how you dance for me
Shake it like you can, honey, take it from a man, mami

Baby, turn around
And let me see that sexy body go
Bump, bump, bump
That is all I wanna see
Baby, show me

Baby, turn around
And then I see that sexy body go
Bump, bump, bump
The way you're throwin' that thing at me
I could it easy, baby

Bad Boy, they call me Diddy, yeah
You got one now, baby
Don't stop, come on
I see you

You know I like it when your body goes
Bump, bump, bump

Come on, don't stop, let's go, let's go, come on, yeah

Baby, turn around
And let me see that sexy body go
Bump, bump, bump

Come on, let's go
Come on, let's go
Here's another one

You know I like it when your body goes
Bump, bump, bump

Come on, let's go
It's Pandemonium, baby
