Intro

J-Boog (B2K): Uh, yo, sing it, uh

Solange: Doo doo too too too too

Verse 1 - Solange

I've been watching from across the room,

Thinking how I want to dance with you.

See you moving on the dance floor,

Makes me wanna dance with you even more.

I like your style, you're so confident,

All the haters call you "arrogant".

I don't care if what they say is true,

'Cause all I want to do is dance with you.

Chorus - Solange

I see you checking me

And I'm looking at you so

No matter who approaches first

Just make a move 'cause

On the floor you got it,

I got it to

I wanna dance with you

Dance with you.

Verse 2 - Omarion [B2K]

Girl it's funny you are Feelin' me

'Cause in my mind I'm thinking the same thing.

How I want to move and dance with you

To intimidated to approach you.

I like your vibe, so baby girl what's up

All the chickens heads claim that you're stuck up.

I don't care if what they say is true,

'Cause all I want to do is dance with you.

Chorus - Solange + Omarion

J-Boog: Uh, yeah.

Da da da da da da da

What, Solange, yeah.

Solange: You're trying, you're trying.

J-Boog: Dance with me, C'mon
