~Verse 1~

When I'm out on the road  
Goin'™ from show to show  
Told my homie Romeo  
How much I missed you so  
I don'™ t know how much longer it'™ ll be  
I'™ m missin'™ you, wantin'™ you  
And I really wanna talk to you  
(Oh no) I left my 2-way at home  
Still seating on the charger  
(Oh no) my battery'™ s dead on my cell phone  
And I really want to call ya  
J-Boog let me use your phone  
Gotta call my baby girl back home  
Let her know wut she means to me  
Cuz we'™ ve gotta be, yeah

~Chorus~

Cuz you'™ re my (you'™ re my) angel (angel)  
You'™ re my (you'™ re my) heart girl (cuz you'™ re  
my)  
Everything (your everything I want in a woman)  
Girl you'™ re my everything  
(you'™ re everything I need in a woman)  
Cuz you'™ re my (you'™ re my) angel (angel)  
You'™ re my (you'™ re my) heart girl (cuz you'™ re  
my)  
Everything (your everything I want in a woman)  
Girl you'™ re my everything  
(you'™ re everything I need in a woman)

~Verse 2~

I got chu on the phone  
You sayin'™ you wish I was home  
But then you flip the script  
To put me in the wrong

And you think I'm lyin'™  
When I been tryin'™ all day to talk to you  
Jugglin'™ videos and photo shoots  
Baby girl don'™ t think that  
One minute goes by and I  
Don'™ t really wanna call ya  
Don'™ t think that I'™ m screening my calls  
While checkin'™ my caller ID tryna dodge you girl  
Tryna be all I can be  
A young man in this industry  
You mean the world to me  
You are my everything

~Chorus 2x~

~Hook~

Girl, I want you to know  
That nothing will come between you and me  
Girl I want you to know  
That you'™ ll always be  
My everything

~Rap~

Baby girl I'™ m missin'™  
Can'™ t wait to get home so I can hold you  
Planet'™ s love when it comes to you  
Faithful and true is what I stay to you  
You my homie I want to chill with you  
Throw on some sweat with some Nike shoes  
Or get sididdy for me  
Louie shirt with the mini tee  
See time'™ s been hard for me  
Bein'™ on the road without my wifey  
Lookin'™ at my watch a the time go by  
Lookin at the skies a day goes by  
Wishin'™ on these days you would fly  
Til'™ the next time to be by my side  
For you I ride  
For you I lied  
Me and you girl Bonnie and Clyde

~Chorus 2~
