[chorus]

Why, why would you make me feel this way

Make me feel like we would never separate

Make me feel like you want to be my girl

But knowing you only wanted to be friends  
"like best friends" were the words you said to me

Got me wondering to myself how could this be

They way we touched. was more than a fantasy

Just knew that what we had was more reality

My wifey is who I thought you'd be

Maybe one day raise a c-h-i-l-d

Broke my heart when you didn't wanna be with me

And all this time I was a fool in l-o-v-e

[chorus]

Why, why would you make me feel this way

Make me feel like we would never separate

Make me feel like you want to be my girl

But knowing you only wanted to be friends  
Why, why would you make me feel this way

Make me feel like we would never separate

Make me feel like you want to be my girl

But knowing you only wanted to be friends  
Beautiful, baby that was you and i

Now everyday I got to sit and wonder why  
The way we kissed, got a feeling deep inside  
What I'm hearing girl, it has to be a lie  
How can you, just kick me to the side  
You never even gave this thing a t-r-y  
Don't understand these feelings you try to hide  
Now all the sudden you been actin f-u-n-n-y

(omit)

How could you do this to me

You led me to believe you wanted me

Now I can't change how I feel inside

Girl tell me why

[chorus]

Why, why would you make me feel this way

Make me feel like we would never separate

Make me feel like you want to be my girl

But knowing you only wanted to be friends  
Why, why would you make me feel this way

Make me feel like we would never separate

Make me feel like you want to be my girl

But knowing you only wanted to be friends  
Oh yea

Baby

You wanted me...you wanted me  
[chorus]

Why, why would you make me feel this way

Make me feel like we would never separate

Make me feel like you want to be my girl

But knowing you only wanted to be friends  
Why, why would you make me feel this way

Make me feel like we would never separate

Make me feel like you want to be my girl

But knowing you only wanted to be friends  
Why, why would you make me feel this way

Make me feel like we would never separate

Make me feel like you want to be my girl

But knowing you only wanted to be friends
