I got everything I want in my life except a girlfriend  
Woo  
Ah, B2K  
Just copped a Bentley and it's parked in my garage  
At 2:00 appointment for my massage  
And everywhere we go they know just who we are  
There they go, it's them ghetto superstars  
The latest throwback and them ones on my feet  
Get out the Benz and then I'm off up in the jeep  
Take your friend with chicks that look like Alicia  
Keys  
All of that I'm still missin' one thing (Whoa)  
A girlfriend (Hey), girlfriend (Everything I wanted)  
I need a girlfriend (Yeah), girlfriend (And everything  
That I)  
Girlfriend (Oh), girlfriend (Would you be my)  
Would you be my girlfriend (Hey), girlfriend  
We hit the mall, I buy you Prada, Nike suits  
IB apparel while I'm chillin' by the pool  
From the show to the limo, to the club  
Hand in the air, showin' nothin' but some love  
Got plenty clothes, plenty ice, plenty cash  
I'm pretty swoll, pretty abs, plenty (Shh...)  
I got every single thing that I need  
Except for a main squeeze (Whoa)  
I need a girlfriend (Oh, oh), girlfriend (Girlfriend)  
I need a girlfriend (Oh), girlfriend (I need, I need)  
{I need, I need}  
Girlfriend (A girlfriend), girlfriend (Would you be  
My)  
Would you be my girlfriend (Girlfriend), girlfriend  
(Yeah, yeah)

Alright Alright  
We got B2K up in this peice  
(Tell me who's gonna be my girlfriend)  
And we need all the ladies out there lookin' for a nice  
fella to get up out yo seat c'mon!  
(And who I bet needs a real man)  
Put yall hand up Put yall hands up  
(And who's gonna ride or die with me)  
Yeah who's gonna be that ride or die chick for me

tonight  
(Who's gonna give B2K what they need)

I need a number one  
I need a thick with big hips, that's just my  
Motivation  
No more game preparation, this is pimpation  
She must be ready and steady for a romance session  
I'm talkin' willin to learn a Lil' Fizz lesson  
Now she plannin' it again and now where arguin'  
Talkin' girls, talk mess and tellin' all there friends  
But I seen this new chick tonight  
And I'mma make her my girlfriend, my girlfriend  
I need a girlfriend, girlfriend (Someone for me)  
I need a girlfriend (Yeah...), girlfriend (That is all  
I need, yeah)  
Girlfriend, girlfriend (In my life)  
Would you be my girlfriend (Oh), girlfriend (I need a)  
A girlfriend (Woo), girlfriend (Someone to call my  
Own)  
I need a girlfriend (Spend some money on), girlfriend  
(And I'm gonna take her out)  
A girlfriend (To show her what I'm all about),  
Girlfriend (Ey, hey, oh, ho...)  
Would you be my girlfriend, girlfriend (No, no, no,  
No)
