J-Boog, Raz-B, Lil Fizz, Omarion

Its not my way to talk to strangers,
But I feel like I already know you.
And if you need somebody, I wanna manage you.
I can tell that you've been through some changes,
In your past relationships.
But come on and walk through that door,
Cuz I'm what you've been waiting for.

Whatever's on your mind
(let it off)
Girl we got lots of time
(we can talk)
Through all the good times and bad times
I wanna be the gots 2 be in your life.

Gots to be the one that makes you sad
Gots to be the one you never had
Gots to be the one that you want so damn bad
Gotta be, Gotta be, Gotta be, Gotta be your everythang
(everythang)

Gots 2 be the only one you fight
Gots 2 be the one that makes it right
Gots 2 be the one you don't like half the time
Gotta be, Gotta be, Gotta be your everythang
(ur everything yeah)

Girl you just can't love anybody,
I tell you I'm the right one for you.
But you gots to believe me,
Cuz everything that I tell you is true
(yeah)
I wanna be your mother, your father,
Your brother, and you sister too.
Be the good, be the bad,
Be the gots 2 love that you run to.
(Got)

Whatever's on your mind, let it out
Girl we got lots of time, we can talk.

Through all the good times and bad times,
I wanna be the gots 2 be in your life.

Gots 2 be the one that works you nerves
Gots 2 be the one you don't deserve
Gots 2 be the only one that you serve
(That you serve)
Gotta be, Gotta be, Gotta be your everythang
(your everythang)

Gots 2 be the one to change your fate
(Oh)
Gots 2 be the one you love to hate
Gots 2 be the one you let eat off your plate
Gotta be, Gotta be, Gotta be your everythang
(Oh, Gotta be your everythang..Listen)

Things ain't always gonna to be, be so easy girl.
And I can let you know for sure that I'm gonna always
be right here
(Right here)
For the long run.
(For the long run)
I might make you mad you cuss me out
But you're still my girl
(Girl)
And I promise that I would never put
my hands on you girl.
I wanna be everything to you girl.

Gots 2 be the one that you can't stand
Gots 2 be the one you call your man
Gots 2 be the one to put a ring on that hand
(That hand)
Gotta be, Gotta be, Gotta be, Gotta be your
everythang.
(Gotta be your everythang, ur everythang, ur
everythang, yeaah)

Gots 2 be the one you can't forget
Gots 2 be the one that you regret
Gots 2 be the one like you ain't never met
Gotta be, Gotta be, Gotta be your everythang
(yeah, listen)

I don't want you to love nobody but me
You and me can do almost anything
Gots 2 be the one you want,
(Gots 2 be the one you want)
Gots 2 be the one you flaunt.
You can't get mad at nobody but me,

In fact I'm the only one you can receive
Gots 2 be the one you want
(ooh)
Gots 2 be the one you flaunt.
(yeaa, yea, yea, gots 2 be yea, oh!)
