This is crazy 'cause lately
The only thing that I think about, dream about is
How you left me
Why'd you leave me?
See I was trippin' just for thinking you would wait
around an'
(Ah ah ah)
(How I'm)
Missin' you baby
An' how we use to be
(Ah ah)
How you where always there for me
An' you're his now, but maybe
If we can talk it out
(Ah ah)
I can turn this thing around
(Ah ah)

Always thought that you would be
(Thought that you be)
With me only
(Ha, yea)
Now it's killin' me slowly
How I took you for granted
But now I understand that

I was wrong for sleepin'
Baby give me one more try
I swear I apologize
I was wrong
And I'm trippin'
I'm down on my knees
Come and see about me
I was wrong for sleepin'
All I need is one more chance
I just want to be your man
I was wrong an' I'm trippin'
I can barely breathe
Come and see about me

(Can I)
Call you

(Like I)
Used to
I just can't walk away
You still got a piece of me
And so if its alright
(Can I)
Fall through
I need to see your face girl

I just want to talk to you
(Yea, yea, yea)
(Talk to you, yea)
Can we spend sometime?
(Ah)
(Said baby can we spend a little time?)
Tell me what I gotta do
(What I gotta do?)
'Cause I can't get you off my mind
(Off my mind, my mind)

I was wrong for sleepin'
Baby give me one more try
I swear I apologize
I was wrong
And I'm trippin'
I'm down on my knees
Come and see about me
I was wrong for sleepin'
All I need is one more chance
I just want to be your man
I was wrong an' I'm trippin'
I can barely breathe
(Barely breathe)
Come and see about me

Always thought that you would be
(Always thought that you would be)
With me only
(Said with me, with me)
Now its killing me slowly
(Slowly, slowly)

(Said I was wrong, ah)
I was wrong for sleepin'
(Ayy, I'm sorry that [inaudible] this way, ayy)
Baby give me one more try
I swear I apologize
I was wrong
And I'm trippin'
(I was trippin' but you know I'm [inaudible])
I'm down on my knees

Come and see about me
I was wrong for sleepin'
(For sleepin' now now)
All I need is one more chance
(Now, now)
I just want to be your man
([inaudible])
I was wrong and I'm trippin'
([inaudible])
I can't barely breathe
(Barely breathe)
Come and see about me
(Yea see)

I was wrong for sleepin'
(Oh ho)
Baby give me one more try
I swear I apologize
I was wrong
And I'm trippin'
