Whoo, B2K, yeah
Sneaky, it's Lil? Fizz
With my cousin Jhene
This is incredible right here
T.U.G., yeah

Sneaky, when your with me freaky
Oh, I can't believe it how you got me
The way you got me, I don't know
Keep sneakin', creepin', I be beepin'
Why you think that your sneakin' on the low?

I ain't gonna trip or act a fool
When you get home late at night
'Cause it ain't no reason for me to blow my cool
As long as you make it there alright

The ladies keep staring, boy you know I ain't caring
And it doesn't make a difference to me
If you want to be sneaky I'll be sneaky too
'Cause I ain't the type that's going to be chasing after
you
Your so

Sneaky, when you're with me freaky
Oh, I can't believe it how you got me
The way you got me, I don't know
Keep sneakin', creepin', I be beepin'
Why you think that your sneakin' on the low?

Wanna be all up in your face like the other girl may do
I don't really even care what the others say
As long as you can come and chill with your boo
You keep on flirtin'

And I know one thing for certain
That you'll be coming back to me
When its all said and done, I know I'll be number one
But until then keep on creepin' having fun
Your so

Sneaky, when your with me freaky

Oh, I can't believe it how you got me
The way you got me, I don't know
Keep sneakin', creepin', I be beepin'
Why you think that you're sneakin' on the low?

Boy you think that you so slick
And I'm loving every little bit of it
Don't really matter that much to me
You can do what you please
(Do what you please)

Keep it moving, I see what you doing
Don't change your personality
You can be who you wanna be

Well, no need for an introduction
It's your 10 o'clock breaking news interruption
Lil' Fizz has girl hearts hard to function, that's right
It's crazy how I keep these hearts pumpin'

In the game a year, I'm already a commodity
No space in my bed but y'all can follow me
I'm just, too hot to touch, too hot to hold
Still trying to sneaky shorty behind the bungalow

Sneaky, when you're with me freaky
Oh, I can't believe it how you got me
The way you got me, I don't know
Keep sneakin', creepin', I be beepin'
Why you think that you're sneakin' on the low?

Why you think that you're sneakin'?
Why you think that you're creepin'?
Why you think that you're sneakin'?
