C'mon

Ay you know what
This track obviously dont need no talkin' on it, but I

Big Tank. let ya'll know, you know what I'm all about
When I take it to the flo'

Is everybody ready
Now I dont mean to brag on mine
But I don't think you know what you done this time, NO
It's no games when I do my thang
I put it on you like whats my name, whats my name
You can't hang believe you can't, but you in tha right
place if you came to get spanked
Let me brake you off, to tha trak from Big Tank
No holdin' back, 'cause trust me ya'll can't

I'ma get down low, Best ya know and if
You ain't know, you're about to know and 1
2, 3, 4, Moves or mo'
And get broke like you ain't never been broke before
Now let's go, let's go
You want it, you want it
Then you better get ready 'cause this what you gon' get
Any way you want it
We can take it to the WINDOW to the WALL, or better yet

We can take it to the floor
Tell me what you wanna do wit me
We can take it to the floor
Baby you don't wanna fool wit me

We can take it to the floor
Tell me what you wanna do wit me
We can take it to the floor
Baby you don't wanna fool wit me

Now I don't know who you think you are
But trust when I go, believe I go hard, so hard
So strong baby all night long

I don't stop till the break of dawn, break of dawn
See ma it's an all out war
I bet you leavin' wit your back sore
'Cause I got what you're lookin for
Have 'em comin' back like GIMME SOME MORE

I'ma get down Low, best ya know and if
You ain't know, you're about to know and 1
2, 3, 4, Moves some more
Get ya broke like you never been before
Let's go, lets go
You want it, you want it
Then you better get ready 'cause this what you gonna
get
Any way you want it
We can take it to the WINDOW to the WALL, or better yet

We can take it to the floor
Tell me what you wanna do wit me
We can take it to the floor
Baby you don't wanna fool wit me

Tip divin', so socializin'
Temperatures risin' we on the floor we grindin'
Can you imagine if I put all my time in
Girl you'd be gone, my love hit like a lineman
This ain't no game ma

Wit dat booty you shouldn't have left home wit it
Gon' get it, gon' get it, get it girl
