Worries waste and happies just a high
It seems nothings changing
But everythings different now
Colors blend together with moisture
Looking for the way back home
Searching for...
Tried everything in this god forsaken town
Nothing seems to last
Yet nothing seems to change
Is it just me or is everyone
Stranded same as I
The same as I...

Everybody walks around
Everybody feels around
Everybody looks around
In this life of lost and found

Conversated with everyone around
Maybe it's suspicion
But nothing seems to change
Is it just me or is everyone
Stranded same as I
The same as I...

So far away Never changing
So far away Nothings changing
In this life of shameless feeling
Simple dreams seem to be turned down
In this life of shameless feeling
Simple dreams seem simple dreams seem

Everybody walks around
Everybody feels around
Everybody looks around
In this life of lost and found
