

Aztec Jade "Requiem"

Visit "[Requiem](#)" on MotoLyrics.com

Fire burning higher
Funeral pyres
Ashes coat the ground

Slaughter
Toxic water
Corporate order
Floral genocide

Nations Aberrations
Culmination
Eroded sand

Miles of Rivers dried up
Tree limbs piled up
A dead wasteland

Now there is no where to run
Can't hide from all the damage done
The world's turning a shade of gray
How can we wantonly throw it all away

Requiem

Mindless
Self destruction
Mass corruption
Watch them rape the land

Plotting
Carcass rotting
Ozone spotting
Earth's betrayed by

Traitors
Terminators
Forest haters
Man's epitaph

Plunder
Nature's wonders
Cast asunder

Our time will pass
