Here I sit
Upon the sands of time
Holding visions
Deep within my mind
Wondering now
I look up to the sky
To know someday
I am going to die

Sit back and time will tell
Facing fears I know too well
The creator knows it's time
Living life is so sublime

Killing time
They say that life is just a game
Although the fear is gone
I still can feel the pain
Heaven knows
It's all just a matter of time
Now I see
How precious life can be
