[Dustin]

I caught you at school  
Huggin wit you-know-who  
And I  
Can't believe what I see  
Guess your love was blinding me  
I think that its time  
I made my move  
Cuz I can't keep on  
Being your fool  
Not a man to let you go  
But I just wanted to let you know

Don't keep paging  
With that 911  
Or call up my cell phone  
Cuz ur home alone  
Guess its plain  
to see  
you've been playin me  
don't knock on my door  
love lives here no more

diggity dang de dang dang  
blinggity bling bea bling bling  
[x2]

[Dustin]

if you think that your gonna play me  
then you really just  
cannot stay  
but you still wanna be my baby  
even though you've been  
callin dist hang  
think its time that I made my move  
cuz I can't keep bein your fool  
I'm not afraid to let you go baby  
But iA...  
Wanted to let you know

Don't keep paging  
With that 911

Or call up my cell phone  
Cuz ur home alone  
Guess its plain  
to see  
youÂ've been playin me  
donÂ't knock on my door  
love lives here no more  
[x2]

[Kelly]  
you canÂ't keep  
paging me  
with these 911Â's  
it was fun  
but now we all done  
how it came to be  
was plain to see  
I must of be deranged  
To make you the man of me  
YouÂ're sayin to me  
That you had to creep  
You did the ish and ish  
While IÂ'm at home  
Getting sleep  
U out---at 2 or more gigs  
I really want to leave you  
But I know this feeling deep  
And just last week  
We were at your house  
Cookin out  
I saw you speak to him  
Sugar put Â- to him  
I never though that you would sleep wit him  
See your friends  
I canÂ't speak to them  
You two must have been seen wit them  
How u gonna --- my friend  
Got the nerve to tell me  
I aint got beef with him  
The beefs wit you  
When its all done, we all threw  
ThereÂ's no more to talk about  
It now 911

DonÂ't keep paging  
With that 911  
Or call up my cell phone  
Cuz ur home alone  
Guess its plain  
to see  
youÂ've been playin me

don't knock on my door  
love lives here no more  
[x3]

(Its gonna be 911  
U call me 911  
U played me  
Now were done)
