Ay, ay, ay, Ay

[michael:]

Hey Yo What's Up Lil Lady Let's Talk For A Minute
I Can See You Starin Shawty,
Leave The Party And
Walk For A Minute
I don't see you
With no other guys
You're rockin? them hazel eyes
Your hips got me hypnotized
So I had to come and say hi to you
All I really wanna do is get your name and your number
boo
I KNOW MY GAMES REAL STRONG
But You Gotta Put Me On As To How
I'm Gonna Get With You
You See I'm Lookin At Those Thighs
Your Hot, I'm Not Gonna Lie
Baby You're Lookin Fly
And I Won't Let You Deny The Truth

[freddie:]

She Said Her Name Was Keshia
It's Really Nice To Meet U
She Heard Of Me Before
It Was Either/Or
But Let Me Please Ya
Give Up Them 7 Digits
She Told Me She Was With It
If You Would Call... We'll Hit The Mall, Don't Matter We'll
Just Kick It
Baby

[Chorus: owens]

Can I Get Them 7's Girl, I Want It
And I Can Tell You Feel The Same Way Girl You Want It
So Stop Playin Games With Me Girl Jump On It
And We Can Do What U Want To Do
Girl It's Up To You Alright
Can I Get Them 7's Girl, I Want It (Give It To Me)
And I Can Tell You Feel The Same Way Girl You Want It

(Ohh)

So Stop Playin Games With Me Girl Jump On It
And We Can Do What U Want To Do (What You Want To
Do)

Girl It's Up To You Alright

[owens:]

Baby Girl Won't You Come Relax With Me For A Minute
Cause I Never Seen No Girl Do The Things That You Do
Had Me Blink For A Minute

Leanin And Rockin, You And Me Ain't No Stoppin
Baby It's On And Poppin Girl Just Chill With Me Tonight
We Can Chill At A Party Babygirl And You Wanna Come
