Have you ever met a girl
That gave you the drop jaw
You be starin so hard
You could walk into a brick wall
Tell me, Did you holla
Did-did-did-did you get it
And did it go so bad
That you wish you wouldn't-a did it
Well that's me
That's my-my story
Now I'm caught up in some drama
That I-I don't need
She be checkin my voicemail
Erasin my sidekick
Man, I'm bout to lose it
Cuz I can't make her stop it

[[Patrick]]

I can't seem to shake her
She got the kinda attraction
That is fatal
This is crazy
I got got me UH-UH-UH
E-E-ERIKA ERIKA Erika kane [x 2]
Repeat again

Kicking me off in the streets
And baby you know I can't have that
Tryna be cool
But you bout to make me turn my hat back
I say I don't want ya
You hear that I love ya
Don't take my kindness for weakness girl
Don't mistake me for no sucka
Keyin up my car
Say mama what'chu thinking?
You takin it to far

You too young to be drinkin
{OHH-NOOO} I gotta get away
{OOH-WHOA} tell me why I can't!

I can't seem to shake her
She got the kinda attraction
That is fatal
This is crazy
I got got me UH-UH-UH
E-E-ERIKA ERIKA Erika kane [x 2]
Repeat again

This chick fine she in love
But last week she was a stranger
U know the deal
Shawty acting wild so I tamed her
Backseat and deranged her
Now I'm wishin someone would restrain her
It's like a bad movie woulda changed her
Erika kane her
Brain is insane
But her frame is so flame
You'll be blind til? the pain
Knew I shoulda never let her peep where I live
I'm either trippin or I think I seen her creep my crib

I can't seem to shake her
