And she's bad
So I might holla

(Dustin)
I see you lookin at me
Tryin to figure out how I move to the beat
So good.
Guess I got in my blood
Everytime the dj spinnin cut
Gets busy, gets busy on the one
I came to party,
Just to show you how it's done
Fellas you can 2 step if you want too

B5 giving you something to move to.

(Chorus)

Bumping your trunk
Let the speakers bump.
Hit the switch on the 6 4 make it jump.
Gota brand new dance
Can you see me stunt.
You can do it like me just turn it up.
Get low
Hydrolic
Bring it up slow
Hydrolic
Bring it to the front
Hydrolic
This is how it goes
Hydrolic
If I'm going to break it down
And show you to do it hydrolic

(Patrick)

So sophisticated, educated
Standing in the crowd
Cuz she looking at me
Cuz she like the way I put it down
She recognise me from my video
And all my shows
