[Bryan]

When we turn out the lights
The two of us alone together
Somethings just not right
But girl you know that i would never,
ever let anothers touch come between the two of us,
cuz no-one else will ever take your place.

[Chorus]

No one else comes close, to you
No one makes me feel the way you do
You're so special girl, to me
And you'll always be, eternally
Everytime I hold, you near
You always say the words I love to hear
Girl with just one touch,
You could do so much
No one else comes close

[Carnell]

And when I wake up to, the touch of your head on my
shoulder

You're my dream come true, yeah
Oh girl, you know I'll always treasure, every kiss, every
day
I love you girl in every way
And I always will cuz in my eyes.

[Chorus]

No one else comes close to you
No one makes me feel the way you do
You're so special girl, to me
And you'll always be, eternally babe
And everytime I hold u near
You always say the words
I love to hear, babe
Girl with just one touch you can do so much
No one else comes close
Nooo, oh girl,
No one else comes close.
