World premiere!

Something new, you already know  
another beat, Cox joint

*[Patrick:]*

Now usually I don't really do this,  
I get the numbers and keep it movin',  
But baby you do something to me,  
And I don't know what it is maybe  
maybe its the way that you shake it  
or maybe it's the way that your mama made it,  
whatever it is, I can't take it,  
I gotta have you and me

*[Carnell:]*

Your swagger, your tone,  
That sexy way that you walk,  
Girl, you wanna give it all,  
(give it all to you, girl)  
i gotta thank your mama,  
can't believe your makin' me stutter  
like i-i-i-i mean I wanna be here  
i-i-i-i mean I mean I wanna be here

*[B5:]*

Ohh girl,  
your body is an event that I can't, miss  
I gotta be there to see you move,  
right to left,  
I love it when it moves,  
right to left,  
Ohh girl,  
your body is an event that I can't, miss  
I gotta be there to see you move,  
right to left,  
I love it when it moves,  
right to left  
Ohh girl

Ooh baby girl i cant resist-ha  
Look how you make it go,

Now I could get used to this-a  
You make a youngin' wanna fall in love, yea  
Now I cant stop myself from starin'  
Ooh baby you know just how to wear em  
no do it do it shawty I dare you...

Show me what you know
