Dustin:

I've been watchin you all night long
(And baby you are so)
Baby you are so raw girl
Not a single number in your phone, no
Girl we need to fix that yeah
I dont wanna spit no game cuz I know, that

Patrick:

You've heard it all, but i promise i wont say the same
thing
Cuz everytime i tell a girl what I do, all of a sudden
they might change
You say it dont bother you at all
And im standing here in awe girl
Cuz when the other girls werent there for me you were
girl

Chorus:

So right for me
So right girl I put that on everything I own
So right for me
So right make me never wanna leave you alone
Babygirl you are

Carnell:

Lets sit down, baby lets talk
If you dont wanna sit, then mami I'll walk
I'm tryna roll with ya, tryna be with ya
Me without you is like a frame without a picture
I aint tryna see what it do, tryna show you what i'll
do
If you give me a chance girl. I will show you a man
girl hey

Patrick:

You've heard it all, but i promise i wont say the same
thing
Cuz everytime i tell a girl what I do, all of a sudden
they might change
You say you dont really care at all
Now im standing here in awe girl

Cuz when the other girls werent there for me you were

Chorus:

So right for me

So right girl I put that on everything I own

So right for me

So right make me never wanna leave you alone

Babygirl you are

So right for me

So right girl I put that on everything I own

So right for me

So right make me never wanna leave you alone

Babygirl you are
