Dustin:

Girl said she saw me at the club  
Swear it was me cuz she know my truck  
Said i pulled up and hopped out with some other chick  
She dont know what she talkin bout  
Now you hittin my sidekick, questioning me about this  
Girl you done lost your mind  
Yea im in the spot, yea i drove my truck  
I just wanna have a good time

Patrick:

(you believe)That im out here doing you real bad  
(and you believe)That my last girl said i get down like  
that  
But baby its jealousy, they hatin on you and me  
Why cant you see, that they dont know

Chorus:

So you heard i been hanging with other chickens  
Tell your nosey girls to mind they business  
They dont need to discuss, nothin bout us  
Because they dont know  
Nothin bout this hur, they wish they had this hur  
Lets get this clear, what they say aint true  
Im all about you cuz they dont know

Carnell:

Im in the crib in my pajamas, but your still callin my  
cell phone with the drama  
Askin me who's that girl, whos that girl?  
When i dont know that girl  
Im all about you, i even ? the chattin on the yahoo  
I do anything for you, but you keep listenin to your  
girls

(you believe)That im out there doing you real bad  
(and you believe)That my last girl said i get down like  
that  
But baby its jealousy, they hatin on you and me  
Why cant you see, that they dont know

So you heard i been hanging with other chickens

Tell your nosey girls to mind they business  
They dont need to discuss, nothin bout us  
Because they dont know  
Nothin bout this hur, they wish they had this hur  
Lets get this clear, what they say aint true  
Im all about you cuz they dont know

Bryan:

That i'd do anything to make you happy  
To make you smile, to make you laugh  
What they say about me aint true  
You know how i feel about you

RL:

Everyday its the same song  
So and so said this said that, but so and so is dead  
wrong  
I aint let no shorty in my sean john  
But you keep accusin me and goin through my cell  
phone  
Lookin in my call backs, stop that  
That aint where my head at you really need to dig that  
At the crib on the Ps on the block in the gs baby cant  
you see that

Chorus:

So you heard i been hanging with other chickens  
Tell your nosey girls to mind they business  
They dont need to discuss, nothin bout us  
Because they dont know  
Nothin bout this hur, they wish they had this hur  
Lets get this clear, what they say aint true  
Im all about you cuz they dont know
