(And all you gotta do is) call me
I'll be there in a hurry baby

You make me feel special
I'm on top of the world when I'm next to you (you)

[Kelly's Rap]

I'm clean from my feet up
Check my jeans and my sneakers
Flea from the scene like cheetah
Then I come right back with love
Matter fact I'll back you up

That's how to act right
So don't try to act like
You wanna act right
Looking for me in the day time with a flashlight
I'm not a half pint
More like a liter
I'll leave you my phone number and I'll see ya when I
see ya
More charming than Mike Sevlar
I eiter that hottest dude spittin'
Or yall dudes is trippin'
And a lot ducks chase the bus
But I ain't press on a bird
Can't nobody break us up
Cause now you got me
You can spend 100,000 with papi
Auotmobiles or that Kawasaki sent
We a team till the death
And i wanna be your homeboy, your boyfriend, your
boo, and your bestfriend
You got me

[Hook x2]
