(Dustin)

Watchin me askin yourself I wonder
how does he do all those thangs with
his body come on over here lemme
show you hottie on second thought
you better watch me work cuz some
of these moves will wanna twirk but
we cant do there in this song next
year girl its on

(Carnell & B5)

watch me now see how I do my thang
so let da let girl be thang lets gimme
some room on the dance floor now
oh watch me now see how i move
the crowd everybody knows how to
get down you payin attention you'll
might lean how oh
