Listen, the boys on fire, so I'ma heat it up
And if lil' mama throw it at me, I'ma beat it up
See it's nothing new she ain't about sumthin'
And then I gotta next her onto the next one

And she's bad so I might holla
She moves up and down like a 6 4 Impala
She get it from her mama, she don't like lames
She likes rich who's heavy in the game like me

I see you lookin' at me
Tryin' to figure out how I move to the beat
So good, guess I got in my blood
Every time the DJ spinnin' my cuts

I gets busy, gets busy on the one
I came to party just to show you how it's done
Fellas you can too step if you want to
B5 giving you something to move to

Bump in your trunk, make the speakers bump
Hit the switch on the '64, make it jump
Got a brand new dance, can you see me stunt?
You can do it like me just turn it up

Get low
(Hydrolic, hydrolic)
Bring it up slow
(Hydrolic, hydrolic)

Clean to the floor
(Hydrolic, hydrolic)

This is how it goes
(Hydrolic, hydrolic)

So sophisticated, educated, standing in the crowd
'Cuz she looking at me, 'cuz she like the way I put it
down
She recognize me from my video and all my shows
I told her it's my dance and this is how it goes

I gets busy, gets busy on the one
I came to party just to show you how it's done
Fellas you can too step if you want to
B5 giving you something to move to

Bump in your trunk, make the speakers bump
Hit the switch on the '64, make it jump
Got a brand new dance, can you see me stunt?
You can do it like me just turn it up

Get low
(Hydrolic, hydrolic)
Bring it up slow
(Hydrolic, hydrolic)

Clean to the floor
(Hydrolic, hydrolic)
This is how it goes
(Hydrolic, hydrolic)

If I'm going to break it down
And show you to do the hydrolic

Girl you wanna know how to do what I do
Lean to the lizeft, hit switches when you move
Bounce to the beat, shawty you can do it too
Break it down slow, you drop it down low

Got bounce like a four block range
Girl I ain't tryna play no games
I'd do anything just to know your name
Girl I hope you feel the same, ooh

Lil' mama won't you sidekick page me, here go the info
All you gotta do is let me know what you into
We can make moves, you rolling wit the best
It's that LB Dub Gang and Bad Boys, yes

And I am F L Y 'er than the next guy
Now mama let's ride
Yeah, I wanna see you move it to the beat
Now, back it on up while B5 sing

Bump in your trunk, make the speakers bump
Hit the switch on the '64, make it jump
Got a brand new dance, can you see me stunt?
You can do it like me just turn it up

Get low
(Hydrolic, hydrolic)
Bring it up slow
(Hydrolic, hydrolic)

Clean to the floor
(Hydrolic, hydrolic)
This is how it goes
(Hydrolic, hydrolic)
