sugar your so fine
i wanna make you mine
think about you all the time
will you be my baby
can you be my lady

there's something bout the way
you look at me
everytime i see you i get weak in my knees
and i've done everything so that you'll notice me
how you've got me spinning baby
you've got me going crazy

chorus:
cuz i need your love tonight
baby can you hold me tight
i need your love right now
baby can you show me how

i love the way the sun shines in your eyes
everytime it sparkles i get hypnotized
you know the way i feel inside
can you be my baby
will you be my queen

chorus

something's telling me
your all the girl i need
if this is true
then here is what you do
say you want me
as much as i want you
and you've got me spinning baby
you've got me going crazy

chorus
i need your love tonight
baby can you hold me tight
i need your love right now
baby can you show me how
