VERSE ONE

You were denied, then crucified
Yet You prayed to Your father
To forgive us
We caused you pain, time and again
Still You laid down Your life
Because You loved us
I was guilty then, here I am again
Against You only have I sinned

CHORUS 1

Change me now
Never let my heart grow cold
Change me somehow
Purify this needy soul
Look into my heart
Tell me what You see
Cleanse me when You find
Any wicked ways in me
With Your tender touch
Lord, I need you so much
To change me now

VERSE TWO

The seeds Iâ've sown, the deeds Iâ've done
By the power of Your blood
Please remove them
Restore my joy, I need you, Lord
I need more of Your love
So You can use me
Will You search my heart?
With Your holy light
Take every wrong and make it right
Lord hear my cry

CHORUS 2

Please change me
Never let this heart grow cold
Change me somehow
Purify this needy soul
Will You look into my heart
Tell me what You see

Cleanse me when You find
Any wicked way in me
This very hour
Fill me with Your power
I want to be so close to You Jesus
Â'Till nothing comes between us
With Your tender touch
Lord, I need You so much
To change me now
