All things work for our good
Though sometimes we can't
See how they could
Struggles that break our hearts in two
Sometimes blind us to the truth
Our Father knows what's best for us
His ways are not our own
So when your pathway grows dim
And you just can't see him,
Remember He's still on the throne

Chorus:

God is too wise to be mistaken
God is too good to be unkind
So when you don't understand
When don't see his plan
When you can't trace his hand
Trust His Heart
He sees the master plan
He holds the future in his hand,
Don't live as those who have no hope,
While our hope is found in him.
We see the present clearly
But he sees the first and last
And like a tapestry He's weaving you and me,
To someday be just like him

(Chorus)

He alone is faithful and true
He alone knows what is best for you

(Chorus)

When you can't trace his hand
When you don't see his plan
When you don't understand
Trust His Heart
