[Chorus]

every time we touch i get this feeling
and every time we kiss i swear i can fly
can you feel my heart beat fast?
i want this to last
need you by my side [x2 times]
quiero que sepas baby
lo que por ti siento
pongamos todo claro
voy a hacerte muy sincero

si no te tuviera a ti
no abria nada de esto
mami tu eres la mujer
que me inspira en este verso

y tambien sabes muy bien
lo mucho que te quiero
jamás pongas sentido
el amor que yo te tengo
hey c'mon baby girl
anda dame un beso
que me dure mientras que termina el verso

y sabes que mami
amame como la primera vez
y sabes que me gusta
tu manera de querer

quiero que me quieras
como yo te quiero a ti
you're the one
my only one
you're my sexy pretty girl

lady lady de verdad
you got me going crazy
linda sexy senorita
no one else is like you

baby joker te lo hace
lento y suave

im down for you baby
just call me if you want me

every time we touch i get this feeling
and every time we kiss i swear i can fly
can you feel my heart beat fast
i want this to last
need you by my side
[x2 Times]
aqui estoy once again to let you know
you don't have to be scared
i won't leave you mi amor
de verdad confia en mi
mami solo soy para ti

you don't know how much i love you
and everything you mean to me
tu eres esa persona
que me hace muy feliz
ya no encuentro mas palabras
para poderte describir

tu sabes que soy tu romeo
y tu eres mi julieta
i promise to you baby
amarte hasta que me muera
tu eres muy especial
y de mi nunca te vallas
y si un dia tu me faltas
mi vida se me acaba

tu eres mi inspiracion
escribiendo mis poesias
sin ti no abria una letra
que ilumina esta prisa

mija yo te amo a ti
and i need you noche y dia
y si tu me lo pidieras
una star te bajaria
this song is dedicated para ti mamacita
stay aqui by my side
paratoda la vida

[Chorus]

every time we touch i get this feeling
and every time we kiss i swear i can fly
can you feel my heart beat fast
i want This To Last
need you by my side [x2 Times]

your arms are my castle
your heart is my sky
they wipe all the tears that i cry
the good and the bad times
we've been through them all
you make me rise when i fall
every time we touch i get this feeling
and every time we kiss i swear i can fly
can you feel my heart beat fast
i want this to last
need you by my side
can you feel my heart beat so
i can't let you go
want you in my life

every time we touch i feel the static
and every time we kiss i reach for the sky
can you feel my heart beat fast
i can't let you go need you in my life [x1 Time]
