You know you love me I know you care  
Just shout whenever and ill be there  
You want my love you want my heart and we will never  
ever ever be apart  
Are e we an item girl quit playing  
WeÂ're just friends what are you saying  
Said there's another look right in my eyes  
My first love broke my heart for the first time and I was  
like BABY, BABY, BABY.  
Ooh like BABY, BABY, BABY. Ohh  
like baby, baby, baby ohh  
Thought you'd always be mine (mine)  
BABY, BABY, BABY ooh like BABY, BABY, BABY ohh  
like BABY, BABY, BABY, ooh  
Thought you'd always be mine mine  
For you I would have done whatever  
And I just can't believe we aint together  
IÂ'm trying to play it cool but iÂ'm loosing you  
Ill buy you anything ill buy you any ring  
And IÂ'm in pieces BABY fix me and justshake me till  
you wake me from this bad dream  
IÂ'm going down, down, down, down and I just cant'  
believe my first love wont be around  
And i was like BABY, BABY, BABY, ooh like BABY, BABY,  
BABY, ohh like BABY, BABY, BABY, oooh  
thought you'd always be mine mine  
(Ludacris)  
When I was thirteen I had my first love there was  
nobody that compared to my baby and nobody could  
ever come between us or could ever come above  
She had me going crazy oh I was starstruck  
She woke me up daily donÂ't need no star bucks  
She made my heart pound and skip a beat when I was  
her in the street and  
AT school on the playground  
But I really want to see her on the weekend  
She no she got me gazing' cause she was so amazing  
and now my heart is breaking but I just keep on saying  
BABY, BABY, BABY, ooh like BABY, BABY, BABY, ohh  
like BABY, BABY, BABY, oooh  
Thought you'd always be mine mine

yea yea yea x6

Now Iâ€™m all gone now Iâ€™m all gone now Iâ€™m all gone  
gone gone gone Iâ€™m gone
