She got a caramel, round, round, brown  
Make me go crazy when she come around  
Baby is my buttakup, oh, I got a sweet tooth  
Baby is my buttakup, oh, I, oh, I got a sweet tooth

When she got them skinny jeans, body down low  
She's my baby candy, had to let her know  
Baby is my buttakup, oh, I got a sweet tooth  
Baby is my buttakup, oh, I, oh, I got a sweet tooth

Yeah, you crossin' out yo label, girl, you bustin' all night  
Not a top notch top rank or top flight  
But it ain't a butta finga or it ain't a babe ruth  
Got ya dancin' way loose like you off the gray goose

Caramel dummy's on my mind on the frappachino  
Betty crocker dunkin' hines taste like rios  
Her body so Cleo colder then Alaska  
Break me off slow she gone break me off fast

And you know she broke me off from the south to the  
north  
East to the west, baby, do it so soft  
Got me singin' boy, yoy, boy, yoy  
She got that goody gum drop, oh boy

She got a caramel, round, round, brown  
Make me go crazy when she come around  
Baby is my buttakup, oh, I got a sweet tooth  
Baby is my buttakup, oh, I, oh, I got a sweet tooth

When she got them skinny jeans, body down low  
She's my baby candy, had to let her know  
Baby is my buttakup, oh, I got a sweet tooth  
Baby is my buttakup, oh, I, oh, I got a sweet tooth,  
sweet tooth

Let's feelin' tastes great, that's my thang  
Honey buns dum dums coconut cream  
Cut her up clean 'cause she sweeter then my swisha  
I give her cap a key everytimes I get wit her

She's my cover girl, lover girl, sweet as Amaretto  
Lookin' so vicious when she do it in stilettos  
Hip hop or heavy metal, she workin' that Jello  
And she love to bring it home and help me count my  
spinedo

Kisses for my lady cadyver  
I ain't got a square, I gots me a ryder  
Put her on the flyer, betcha club jump off right  
Guarantee she gone, keep it bumpin' all night

She got a caramel, round, round, brown  
Make me go crazy when she come around  
Baby is my buttakup, oh, I got a sweet tooth  
Baby is my buttakup, oh, I, oh, I got a sweet tooth

When she got them skinny jeans, body down low  
She's my baby candy, had to let her know  
Baby is my buttakup, oh, I got a sweet tooth  
Baby is my buttakup, oh, I, oh, I got a sweet tooth,  
sweet tooth

You're my top notch, lady make the club go crazy  
Let me see ya goody, goody gum drop  
Thicka then a snicka with her body off the liquor  
Let me see ya goody, goody gum drop

If you're sexy and you know it and you're not afraid to  
show it  
Let me see ya goody, goody gum drop  
And get your frame off the chain', make ya say mane  
Let me see ya goody, goody gum drop

She got a caramel, round, round, brown  
Make me go crazy when she come around  
Baby is my buttakup, oh, I got a sweet tooth  
Baby is my buttakup, oh, I, oh, I got a sweet tooth

When she got them skinny jeans, body down low  
She's my baby candy, had to let her know  
Baby is my buttakup, oh, I got a sweet tooth  
Baby is my buttakup, oh, I, oh, I got a sweet tooth,  
sweet tooth
