Whistle

She make feel like oh oh oh oh oh oh wo ho
She make me feel like oh wo oh oh oh wo (Oh yeah)
She make feel like oh oh oh oh oh oh wo ho
Oh she make me feel like oh wo oh oh oh

She got them butterfly kisses
when she's out her cucoon.
I got them butterfly wishes when i
smell her perfume.
Dreaming of when i'm touching
your nature, Lifts me up when
i'm yearning inside.

Hustling for money pay, i don't know
no other way. I done travlled
many miles but i know why where my
loving stay. day dreaming about your
face, making moves in overtime.
Always on my paper chase but boo
you stay forever mines..

She got them butterfly kisses,
candy sweet delicious, out here
on my grind tryna get our future
and our riches. Mr and the mrs
I don't need no mistress,
handaling my business, then i'm
back home with the quickeness.

I can't stay away for too long.
The loving that we make is just
too strong. And on the real
that's whats up, girl your
body got me stuck, and i can
feel your energy down to mi corazon

I get them butterfly kisses when
my baby is home. I kiss the
butterfly wishes when i smell
his cologne. Dreaming of

when i'm touching your nature,
lifts me up when i'm yearning inside.

Yeah your love keeps me yearning,
Keep the fire burning, write another
chapter keep the pages turning,
nobody's more deserving, Chicka
you my earth and the passion to
my soul and from your love
i keep learning.

I'd sprint a country mile
just to see you smile. you
make it all worth while through
the tribulations and trails.
I got your back and you got mines.
Girl i'll hold it down, there's
sunshine in your life and that's
till the end of time.

She got them butterfly kisses
when she's out her cucoon.
I got them butterfly wishes when i
smell her perfume.
Dreaming of when i'm touching
your nature, Lifts me up when
i'm yearning inside.

She make feel like oh oh oh oh oh oh wo ho
She make me feel like oh wo oh oh oh wo (Oh, oh yeah)
She make feel like oh oh oh oh oh oh wo ho
Oh she make me feel like oh wo oh oh oh
