(feat. Keith Sweat)

[Chorus: Keith Sweat]

Baby, it don't stop
And it won't quit
And I can't stop
Until you put your body on me
Don't stop
And it won't quit
And I can't stop
Until you put your body on me

[Pre-Verse: Baby Bash]

Now the game don't stop when I operate
And hell yeah, I got you on my mind
We gon' swang, we gon' bang, we gon' dip and scrape
Blow the brain, so cut the sunshine

[Baby Bash]

We In Motion'
Cruisin' and coastin'
Laughin' and jokin'
Girl, what, I'm smokin'
Volvo's open
Ash tray's pokin'
Out on the po's, but I still keep yokin'
Blowin' by them haters who be constantly hopin'
That one day, that ya boy go broken
But, never that, though, never, not I
That's what I need a top-notch in my life

[Repeat Chorus]

[Baby Bash]

Me and my money go together like menudo and lemon
Tell me where I got the most beautiful women
I tour around, in a bus, with the studio in it
I'm a
Boss chief, and you my chief liuetenant
Go Bash
Runnin' the lanes like Steve Nash
Tint glass

All in my candy chrome whip
I smash
Dippin' through traffic, cause I'm about
My pay

Shoot to the Chi and Hollywood
L.A.
Billboard lights, and the Hollywood
Hills
Put it in your life, girl, tell me how it
Feels
To boss that body on a ice cold
Mexi'
Girl, you lookin' so sexy

[Repeat Chorus]

[Keith Sweat]

I be loving you, girl (Loving you)
Touching you, girl (Touching you)
Holding you, girl (Holding you)
I be loving you, girl (Loving you)
Touching you, girl (Touching you)
Holding you, girl (Holding you, baby)

[Bridge: Keith Sweat]

You be my wifey (You be my wifey)
My girlfriend (My girlfriend)
My baby boo (My baby boo)
I got you (Got you)
You never have to walk from nobody
Help you push it up on your body
Make you scream my name

[Hook: Baby Bash]

This is how we do it, wanna keep on rollin'
Twice Last Night, hit it once, this mornin'
