Excuse me miss, what's your name  
I don't wanna tell you the same ol' thing  
Drop, drop it low, make, make it pop,  
I can do this all night shorty  
I don't wanna stop

I need a go girl  
I need a go girl, uh  
Guh, go girl, go, go, go, go, go  
I need a go girl  
I need a go girl

(Baby Bash) Go girl, uh, a show girl, uh, go-getter, for  
cheddar,  
Denero, dope girl, a money on the dance floor  
Getting low girl, uh, a trow girl,  
With game that'll make my toes curl  
Cause she's a beast in the bed and I'ma beast with her  
Beat it up like a champ and uh she re-twitter  
Bash be going hard, it's the headline news  
She rocking the fresh js, stilettos, the Jimmy Chu's

Black white and yellow bone, watchin' what they jelly on  
Bringing major fedy home oo what's poppin  
We hit em with the honey tone  
Bringing daddy money home  
Got me ridin candy chrome  
What that do

Shoppin for a new pair  
Stuntin on you boppers  
In the DJ booth  
Giggin with some punk rockers  
She my runnin back, player  
I'm the quarterback  
Send her down to Meh-hico  
She brining me the border back

Excuse me miss, what's your name  
I don't wanna tell you the same ol' thing  
Drop, drop it low, make, make it pop,  
I can do this all night shorty

I don't wanna stop

I need a go girl, uh  
I need a go girl, uh  
Guh, go girl, go, go, go, go, go  
I need a go girl  
I need a go girl

(E-40) Uggh, she over there hittin it  
She getting it,  
Grittin it, grindin it, grippin it  
Poppin, lockin, droppin and dippin it  
Pickin it up and lickin it  
Never missin a beat or skippin  
She know that the fixtures diggin it

Look at her go, she kill it,  
Bad ass boots  
Big ass caboose  
I'm tryin to get her drunk  
Take her to the telian goose  
Spark a fat ass blunt  
Put a talend in her  
Unplug the smoke detector  
Get my head off and then eject her

Imma macaroni man  
I don't think you understand  
I don't pay for pussy when  
Pussy pay me man  
Steady stackin hustler man  
All about my rubber band  
Real nigga haven't changed about money

Gotta keep my paper right  
The brainwasher up all night  
Picture this flow, she getting my dough  
She bought a brand new bike  
Letting em know, used to be proud  
I don't care she dike  
Baby can go, put on a show, she do what I like

Excuse me miss, what's your name  
I don't wanna tell you the same ol' thing  
Drop, drop it low, make, make it pop,  
I can do this all night shorty  
I don't wanna stop

I need a go girl  
I need a go girl, uh  
Guh, go girl, go, go, go, go, go

I need a go girl

California face with a down south rump

Ba, ba, baby girl scrumptious, uh uh she dumb
