Yeah, yeah uhh
It's such a filthy game
It's such a dirty game
Da game don't ever change
My image is everything

Word around town is I pop these P's
Word around town is I hold these G's
Word around town is I blow these trees
Word around town is Baby Beesh
Pimpin' in high velocity, yall squares betta back up off
me
'Cause we gonna do what the hell we do
Baby Bash the ghetto Socrates
Gettin' all these keys at playa prices
Top notch ho by da name of Icess
Soak it up quick 'cause da game is priceless
Money and mackin' is nuttin nice bitch
I'm out in Ohio man I missed my trial
Feds after me 'cause I serve this D
Got blessed as Golden child

You know my image as a pimp, it can be kind of hard to
ignore
Because of my image, I might call you a whore
You know my image as a pimp, it can be hard to
accept, You gotta be open for some disrespect

I dominate the ladies, insult the ladies
Some think that Oral Bee is badgering the ladies
I massage some ladies'but keep it on the hush
I'm a pimp, shit, I'm not supposed to have no crush
Met this lady, she was off the hook
A playa got hard off her sexy look
To my homies I said that she was crazy horny
And, like most bitches she was dumb and corny
Well, the truth is that this girl was mad intelligent
I wanted to follow her ass everywhere it went
Yeh suh! This mama turned me on
But then she met some slick-talkin' playa and was gone
He was a nasty playa who called her a queen
Now, I can't do that, I am a pimp-machine

Sometimes I wish that pretty bitch still was mine
But, I got the image of a pimp, and I stay true to it all
the time?

You know my image as a pimp, it can be kind of hard to
ignore
Because of my image, I might call you a whore
You know my image as a pimp, it can be hard to
accept, You gotta be open for some disrespect

Image of a pimp is whut I got
Take a look at me girl I live it hard
I aint chose to rhyme my game is cold
Million dollar mouth piece have you bringin doe
Back to da daddy in a candy caddy
Wit a half bag of Afghanistan
'Cause me and Beesh see we blowin' big
Cant help us now 'cause we on it
Ohh look we slammin' da bom on it
Don't act like yo ass aint noticed it
I'm rollin' wit a bunch of hoggs
Yall ready know they like to ball
I get paid for sex give me the money on a daily basis
Have yo ass on the track till 8 in da morning
I'm a mack baby I aint savin' hoes

You know my image as a pimp, it can be kind of hard to
ignore
Because of my image, I might call you a whore
You know my image as a pimp, it can be hard to
accept, You gotta be open for some disrespect

Blow one
Now whut it do, what it do, is yo smokin' nephew
What it do, what it do, is yo smokin' nephew
What it do, what it do, is yo smokin' nephew
