My mamacita got it goin on poppin the most
like papparazi when they watch me and her hop in the

no destination but we racin in the drop
on some chrome I know you heard it all before
but I'm your rock and your stone (it feels right)
me and you sharing a star (its real tight)
and nothing's gonna tear us apart (so true)
I'm feelin like I'm heavenly blessed (what it dooo)
me and you to put the love to the test
its so crazy when someone understands your mood
with an open invitation that I can't refuse

I can be your other half baby I'm yo soul mate
I can keep you cozy cause you know that you're my

seem like you're the only real one who really know me
so this song is dedicated to my one and only

an angel with them eyes and them honey butter thighs
tryna figure out bout her wedding ring size
I can be yo lover baby yo best friend
and momma when we ride we gone ride to the enddd
