maybe one day you can be my wife (2x)

i cant wait i gotta date ma na na
and my girl got a platinum na na
she smell like chanel with a cucumber melon
and her fashion is dipped in prada prada
i got a boss one on my team

every playboy mansions dream
and she thicker than the sticker
on my winter go geta
cause she break me off that candy cream

chorus

she got a stock full of cakes
and a million dollar waste

when she slid up on my chrome
she said its true runny ray

thats when the na na got wet
and we started the purp
gettn high as a fire escape
she sed i heard from a bird
bout the way you get down
and now im ready with a video tape

i get it was my destiny
to hit that juicy recipe
carmel coated ecstasy
with a whole lotta freaky energy
sweet arzuca on my mind
with a top notch breezie on my line
got a cavity girl all the time
i go down low where the sun dont shine
